& Alina Dolan Allied ASID - Talis Park Naples, Florida

Collins & DuPont Design Group is dedicated to servicing our clients' interior design goals with integrity and passion, providing an individual experience coupled with elite, concierge-style customer service. Our firm has established a reputation as the trusted, leading resource for high-end, distinguished designs that reflect the unique vision of each client.

Collins & DuPont Design Group's designs have been honored with some of the most prestigious awards in the industry.

The Aurora Awards are presented annually by the Southeast Building Conference to builders, developers, architects, interior designers and landscape architects in the Southeastern U.S. and Eastern Caribbean who have demonstrated building and design excellence. The Grand Aurora is awarded for entries judged Best in Category and the coveted Golden Aurora is awarded for the entry judged Best in Show.

The Sand Dollar Awards, sponsored by the Collier Building Industry Association, recognize achievements in residential and commercial building in Collier County, Florida and are awarded through on site judging by experts from across the state.

The Best in American Living Awards (BALA) is sponsored by the National Association of Home Builders and Professional Builder magazine and is the nation's premier award program, continually redefining design excellence for the entire residential building industry. It spotlights the most creative and innovative builders, remodelers, architects, developers, land planners and interior designers in the nation.

The American Society of Interior Designers-Florida South Chapter (ASID-FSC) Design Excellence Awards honor exemplary designs by ASID members in the region.

ABOUT THE FOUNDERS

Kim Collins, ASID and Sherri DuPont, ASID founded Collins & DuPont in 1987 based on an unwavering commitment to provide the highest level of personal service and timeless designs. Collins & DuPont Design Group is an award winning firm that houses some of the most talented designers and industry professionals across the country.

Private Residence, Estuary at Grey Oaks Designed by Lana Knapp

Lana Knapp

Senior Lead Designer, ASID, NCIDQ

Lana Knapp decided from an early age that she wanted to go into interior design for her love of fabrics. She graduated from Florida State University with a dual major in fashion and interior design. Lana's design philosophy is to utilize each space to its fullest potential without compromising the overall design. It must have a cohesive blend of functionality and visual beauty. Lana has an award-winning portfolio, most recently receiving the coveted Grand Aurora for Best Remodeling, Rehabilitation and Restoration for a Kitchen over \$50,000.

Alina Dolan

Project Leader/Interior Designer, Allied ASID

Alina Dolan is inspired by fashion and travel, which exposes her to unique cultures and architecture. Continuing in a rich family history, Alina graduated from Florida State University with a degree in interior design. Alina's ability to add personal touches to her work allows her the ability to hone in on her high-end clients' desires and make one of a kind designs. Alina has an award-winning portfolio, most recently earning the coveted Grand Aurora award for a model home in Bonita Beach.

Private Residence, Gulf Shore Blvd. remodel Designed by Michael Pineau

Michael Pineau

Project Leader/Interior Designer

Michael Pineau had an interest in fashion and interior design from a young age. He attended Kalamazoo Valley Community College where he found a love for textiles and fabric. Now he has over 20 years of experience with Collins & DuPont. Michael has worked on multiple award-winning projects, from full renovations to specific room enhancements in existing homes. He is able to adapt his design style and approach based on the clients' needs.

Aviano Model at Fiddler's Creek in Naples, Florida

Model Home

Designed by Alina Dolan, Allied ASID in partnership with Harbourside Custom Homes.

Utilizing her amazing talent for blending contemporary and rustic design styles, Alina created an extremely calm environment with great attention to detail and beautiful artwork. This model is currently open for tours. Please contact Harbourside Custom Homes to see it today!

Amy Coslet

Project Leader/Interior Designer, ASID, NCIDQ

Amy Coslet comes from Cincinnati, Ohio with over 15 years of experience in residential interior design. She attended the University of Kentucky and earned a BA in English Literature and an AS in Interior Design. Amy has a passion for travel and draws inspiration through culture, history and architecture. She fuses her classical training with a modern approach to create unique and enduring designs for her clients.

Private Residence, Grey Oaks Designed by Sherri DuPont

Jenifer Davison

Project Leader/Interior Designer

Jenifer Davison attended West Virginia University, earning her first BA in Fine Arts. The daughter of a former architect, Jen was raised with a great appreciation for the arts and architecture. After taking a Frank Lloyd Wright art history class, Jen was inspired by his most famous building, "Fallingwater", and began earning her second degree at the Design Institute of San Diego for a BA in Interior Design. She has been involved in several award winning projects and continually strives to challenge herself and inspire creativity.

Colleen Wilson

Project Leader/Interior Designer, ASID

Colleen Wilson attended Kendall School of Design in Grand Rapids, Michigan with a focus on residential interiors. Colleen believes that her clients' homes should be a reflection of their lifestyle. Her design style ranges from traditional to transitional. She enjoys working with tropical Florida colors: greens, blues and yellows. Whether the client's home is their seasonal haven or permanent residence, Colleen's goal is to make it as inviting as possible.
